MEDICAL COUNCIL OF CANADA QUALIFYING EXAMINATION PART II
STATEMENT OF RESULTS

21 December 2012

Candidate name: Dr. Harankaha A S R

Your final result: Pass

MCC candidate code: **********

Your total score: 428

Examination session / date: Fall 2012

Score required to pass: 421

Your final standing is based on your overall performance as well as the total percentage of stations that you passed. Your total score, which represents your overall performance, is reported as a scaled score with a mean of 500 and a standard deviation of 100. The pass/fail decision for your examination is based on your overall performance. In order for your final standing to be a pass, you must obtain a total score of 421 or greater and have passed 67% or more of the stations.

In awarding the final standing on the MCC Qualifying Examination Part II, the Central Examination Committee also considers any observations made by the physician-examiner at each station with regard to each candidate’s approach to the patient. Candidates are expected to demonstrate the ethical behavior, professionalism, and clinical skills appropriate for a physician entering independent practice.

Supplemental feedback on your examination performance is available through your MCC-Online account. This information will help you to interpret your performance and to identify your relative strengths and weaknesses as measured by this examination. An explanation regarding the scoring of this examination and other frequently asked questions (FAQs) can be found on the MCC website (www.mcc.ca).

Best wishes for future success.
